

Class pictures by LIFETOUCH: After Mass the students will process directly from the church to their designated classroom to be lined up for class pictures with the priests. Once the teacher has them lined up, he/she will bring them down to the doors of the center for the photographer to arrange for the picture. We ask that parents and guests gather in the center and keep the lobby clear for the First Communicants.

- Please do not take your child from the line until after their class has had its picture taken.
 - After the official photo, time will be given for you take your own pictures of your child's class, so please be patient.
 - No individual photos will be taken by LIFETOUCH, but the priests will usually pose for pictures with the students after ALL group pictures have been taken
 - Picture order forms will be made available by rehearsal; you can order and pay online if you prefer (online orders need to have the code put on the envelope in the appropriate box); all order envelopes **MUST BE RETURNED** no later than First Communion Day - extra order forms will be available in the center if you misplace your copy.
