Every pledge is important!

## The Crusades: Fact vs. Fiction

**January 30<sup>th</sup> at 7:00 PM in the  
St. William of York Parish Center**

The Crusades are one of the most misunderstood events in Church history and are frequently used by critics to attack the church. In this free presentation, historian, Steve Weidenkopf will provide an overview of the crusading movement and show why the Crusades are an important part of Church history – not something to be ashamed of. Steve will also explore modern myths about the Crusades and how Catholics can refute them, defend the Church, and reclaim our authentic history of these fascinating events.

Steve Weidenkopf is a lecturer of Church History at the Notre Dame Graduate School of Christendom College in Alexandria, Virginia. He is also the creator and co-author of *Epic: A Journey through Church History* and a frequent radio guest and lecturer for Catholic Answers.

The St. William of York Catholic School PTO and K of C Father Widmer Council is inviting all interested adults, high school students and middle school students (with parental escort) to attend this enlightening evening learning how to defend the faith and visiting with fellow parishioners. Complimentary refreshments will be provided.
