### Welcome the Stranger in Our Midst— Church Teachings on Immigration

The issue of immigration affects all of us, and it is important that we respond to it not only as Americans but as Catholics. Being properly informed is crucial to an authentically Catholic response. Therefore, over the next eight weeks, we will present a series on the teaching of the Church on immigration and how it pertains to immigration reform. To learn more about Church teaching on immigration and find resources for immigration advocacy, visit [arlingtondiocese.org/immigration](http://arlingtondiocese.org/immigration).

## Religious Education

### Name the Saint!

My feast day is June 5<sup>th</sup>. I lived during the 8<sup>th</sup> century A.D. The information known about my life comes from legal documents, sermons, stories by my acquaintances, and my own correspondences with people. I devoted myself to the monastic life very early in life much to my father's displeasure. As a priest and then a bishop I spent most of my life being a missionary. I spent a great deal of my time in the Germanic countries where I never gave up hope of converting them. It was on one of my missionary trips in Frisia (modern-day Netherlands and northern Germany) that I was attacked by robbers and killed. I am patron saint of Germania. Who am I?

ANSWER: St. Boniface
