What does the Church teach about Immigration?

Week 3 of 8 from Bishop Burbidge

There are more than 11 million undocumented immigrants presently in the United States. Each year, approximately 300,000 more enter the country. Yet there are only 55,000 green cards available annually in the lottery, known as the Diversity Visa program. With few exceptions, these immigrants are hardworking, honest, faithful people simply desiring the opportunity to make a better life for themselves and their families. The United States is a nation of immigrants; a review of the history of our own families and of our nation reminds us of the need to welcome the stranger in our midst.

Religious Education

Name the Saint!

My feast day is June 21st. I am the oldest of 7 children born to a wealthy Italian family. It was always thought that I would become a soldier as oldest boys were expected to do during Renaissance Italy and I did at first, but discovered this was not the life for me. After meeting monks and friars I desired to become one. However, I would have to renounce my inheritance which my father was opposed to. In the end though my desire won out and I became a Jesuit. I spent many years learning catechism and teaching others in practice for being a missionary. I never got to fulfill my dream of being a missionary due to my poor health. When I was 23 years old I fell ill with the plague after nursing those with the disease. I had my eyes on Jesus and his name on my lips when I died. I am patron of young students, Christian youth, and AIDS patients & their caregivers. Who am I?

ANSWER: ST. Aloysius Gonzaga
